Love Computer Science? Guidance for obtaining your CS degree

Have you completed the 11th - 12th standard? Interested in pursuing a computer science course? This article will help you to discover the most relevant lessons. Here we have listed some of the best computer science courses.

In India, computer science courses are available in a variety of forms. Some formats say -

1. Certificate courses

2. Skills training courses

3. Diploma Courses

4. Bachelor's Degree

5. Master's Degree

6. PG Diploma Courses

7. PG Certificate Courses

8. PhD programs

Certificates, courses, diplomas and Bachelor's Degree degrees are UG (undergraduate) levels. 12 graduates are eligible for this course.

Master's Degree, PG Diploma and PG certificate are PG (Postgraduate) degree courses. Students who have completed an appropriate Degree to pursue these courses.

PhD is a doctor-based research program. PG graduates are eligible to pursue a PHD program.

Here, we will focus only on computer science lessons after 12.

LIST OF SEVERE SCIENCE COMPLAINTS AFTER 12

BACHELOR'S DEGREE COURSES

▢ B.E. or B.Tech. in Computer Science - 4 years

▢ B.E. or B.Tech. Computer Engineering - 4 years

▢ B.E. or B.Tech. in Software technology - 4 years

▢ B.E. or B.Tech. in Computer Science and Engineering - 4 years

▢ B.E. or B.Tech. Computer and Communication Engineering - 4 years

Combined (B.E./B.Tech. + M.E./M.Tech.) Computer Engineering - 5 years

▢ BCA (Bachelor of Computer application) - 3 years

▢ B.Sc. in Computer Science - 3 years

⬛ B.Sc. in computer technology - 3 years

⬛ B.Sc. in Software Technology - 3 years

Bachelor of Engineering and Bachelor of Technology programs are 4 years of long study programs. Some Degree courses (such as BCA and B.Sc.) are 3 years long. Integrated engineering programs last 5 years.

12 students who have passed Physics and Mathematics courses from the accredited board are eligible to do these courses.

DIPLOMA COURSES

⬛ Diploma in Computer Engineering - 3 years

⬛ Diploma in Software Engineering - 3 years

⬛ Diploma in computer technology - 3 years

⬛ Diploma in Computer Hardware Technology - 3 years

⬛ Diploma in Hardware and Networking - 3 years

Diploma in Computer Science and Engineering - 3 years

Diploma Engineering programs are 3 years old. Graduates of 10 and / or 12 are eligible for a Diploma in Engineering.

After completing the relevant Diploma program, successful graduates may apply for the Diploma to be admitted and allowed to enter the second year of B. or B.Tech. system.
